- * Praise – That God allows and invites us to join Him in His Kingdom work!
- * Praise – God is at work in their lives even when we can't see it.
- * Praise – For the amazing doors God continues to open for the work He wants to do through HE-man International.

WHY DOES HE GO...

The faces, eyes, laughter, hurt, emptiness, and anger I saw in these kids have been etched in my mind more so than any other trip! I have found myself going to bed, waking up, even in the middle of the day seeing these faces, hearing their laughter over and over! Knowing for them it is all temporary for the here and now, as they do not have a personal relationship with Jesus where their true HOPE and JOY can come from! They are in terrible conditions, not knowing about their food, shelter, and safety because they have no money, no work options, no schools, and no other place to go. Even more challenging is the reality that their situation is not temporary; their life circumstances are unlikely to improve—EVER!

Will you JOIN me in PRAYING for these Syrian and Iraqi Refugees we shared this HOPE with, that one day they too can QUOTE as Paul did, Philippians 4:13 "I am able to do all things through Him (Christ) who strengthens me." because they know Jesus and follow Him as their Lord and Savior even from jail (Refugee Camps) that their world has placed them in!!

Camp Hope Beirut 2017

"And not only that, but we also rejoice in our afflictions, because we know that affliction produces endurance, endurance produces proven character, and proven character produces hope. This hope will not disappoint us, because God's love has been poured out in our hearts through the Holy Spirit who was given to us." Romans 5:3-5

M*ms are an "ALL IN CULTURE" and I believe if our brothers and sisters are trained and equipped with the Truth of The Holy Bible, they can effectively take the Gospel to all their M*m friends! So we join them as we take the Good News Message and praying for salvations through the saving knowledge of Jesus, and then train and disciple them to take Jesus to their M*m friends! The Bible only has 2 Categories either "LOST or FOUND" We are in this together with our persecuted brothers and sisters! Declaration that Jesus is King to ALL!! We have read the end of the book and our GOD WINS!! So let's RUN like a Lion into these areas and show them the love of Jesus! Our passion is for this to be known in Central Asia and around the world!
