WHY DOES HE CONTINUE TO GO...

With his recent trip to Egypt, Todd was able to see some incredible historic sites but also some devastating and heartbreaking evidence of the continued persecution of the Church around the world. As groups of believers meet in underground churches, in secret and in hiding, they are constantly aware of the dangers that surround them and the groups of terrorists who search to find them and destroy all Christians. Yet they continue on. They fight the good fight every day and every night so that everyone has a chance to hear the Truth of the Gospel.

Why does Todd continue to go? He goes, because God continues to send him to these persecuted areas of the world to share the gospel and encourage these believers who are in danger of being martyred. They need to be reminded that what they are doing every day is what Jesus called us to do...GO and SHARE with everyone. Please continue to lift Todd and the Persecuted Church up in prayer.
