**Mission Trip to Lesotho,
South Africa
May 15-24, 2014**

Lesotho is a small country in southern Africa. Mountainous and ruggedly beautiful, the country is home to the Basotho people. These mountains are a very dark place and the Basotho people are hard to reach with the Gospel. There are Witchdoctors as well as Male and Female Circumcision Rituals being performed among other unbiblical activities. **They average about 1 medical professional per every 17,000 people.**

As we "Go" to take the love of Jesus to the unreached world, we want to meet the Physical needs of the people as well as spread the Gospel. **We want to provide Bibles, soccer balls, toothbrushes, toothpaste, and other dental care products on this trip to say we care and love them in the name of Jesus.**

Our Mission Is - To Glorify God while equipping the world with Fitness for Eternity through the truth of God's Word, with a passion to see the lost saved through our Lord and Savior Jesus Christ!

HE-man Ministries is focused on the balance between Spiritual & Physical Fitness. 1 Timothy 4:8 (MSG Version) tells us we are to "Exercise daily in God no Spiritual flabbiness, please! Workouts in the gymnasium are Useful, but a disciplined life in God is far more so, making you fit both today and forever!"

HE-man Ministries, Inc. is operated under the accountability of a Board of Directors comprised of Christian men and women with the passion to see the Gospel of Jesus Christ advanced around the globe through sports and sports-related activities, Vacation Bible Schools, Camps, as well as through Construction, Medical, Education, and Evangelism and Christian Outreach Programs.

Orphan Crisis

Children left without parents struggle daily with learning to cope with their new lives, new families and basic survival needs.

HIV/AIDS is taking a devastating toll on the country, with people in their productive years — parents, farmers, teachers and health workers — dying in alarming numbers. Left behind are children and the elderly, who struggle to cope.

The number of orphans in Lesotho is staggering: with one in three people infected with HIV, there are hundreds of orphans in every village. Things being done to assist the orphans are:

- getting them access to primary school;
- a breakfast feeding program to supplement school lunches for the most vulnerable children;
- a pre-school/daycare program for young children being cared for by older siblings, enabling older children to attend school;
- participation in household level agriculture program providing training, seeds, and tools;
- recreation and sports programs involving vulnerable youth, with HIV/AIDS testing and prevention strategies incorporated into sports camps and cultural days;

The Workers Are Few - PRAY

35 Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. 36 When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. 37 Then he said to his disciples, "The harvest is plentiful but the workers are few. 38 Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

(Matthew 9:35-38 NIV)
