### Prayers/Praises

- \* "DP"- continue to pray for the team as they share the Good News that people will be open to hear. Pray also for unity of the new team member joining the team in September.
- \* "RV"- continue to pray for his family and friends as they continue asking spiritual questions. That he would have discernment in sharing.
- \* "RF"- pray for our Brother in Christ as he wishes to come to America sometime in October and his issues are obtaining a visa for travel.
- \* "AJ"- continue to pray for his burdened heart that his people will come to know the Good News and for him as he translates for many American teams that come to his country to bring the Good News to his people.
- \* Pray for our M\*m friends as they seek The Truth.
- \* Pray for Todd as he fights the daily spiritual battle and continues to answer the call from God to go to persecuted areas of the world.
- \* Praise – God is at work in their lives even when we can't see it.
- \* Praise – for the amazing doors God continues to open for the work He wants to do through HE-man International.

### WHY DOES HE GO...

With the most recent things happening around the world - God is not caught off guard, He is still on His throne!! - BUT, HE is CALLING us to be DIFFERENT and to be CHANGED, we are in the world but NOT of the world, **John 17:16**. HE does not want us to gain this world and lose what matters. **Romans 12:2**. We are not perfect; but through Jesus, the Cross still says we are worth it. When the world sees us, let them see JESUS! To Jesus **#everyone matters** so to us **#everyone should matter**.

How does Todd deal with the overwhelming burden that God grows "daily" in his heart for the difficult to reach (even if it is just one - it is that important) and to stand with the persecuted Church (as we are one) at whatever the cost? **#Igo, #takethegospel #deliverGodsWordbibles**. GOD continues to tell us that the workers are few and the fields are ripe for harvest, so we must go. We cannot wait until tomorrow for tomorrow is not guaranteed.

As Todd's call from God deepens and grows stronger, please pray for him that he will be able to go and do all that God is asking. He was blessed with two 10 year passports that allow him to enter any country and go to the most remote, persecuted and difficult to reach areas. He feels more and more led to go to these places as often as he can to share the gospel, transport materials and Bibles, and encourage the persecuted Church. This call burdens his heart deeply and he needs our encouragement, prayer and support. **#prayforTodd, #encouragementneeded**.
