2020 Trips

Be in prayer for Todd and our ministry as we begin finalizing the trip schedule for next year. We are looking forward to returning to Central and Southeast Asia and working in new areas there as HE calls and we cannot wait to see where HE plugs HE-man International in throughout the world!

Prayers/Praises

- * Pray for the Persecuted Church as they continue to help others seek The Truth.
- * Pray for Todd as he fights the daily spiritual battle and continues to answer the call to go to restricted areas of the world
- * Pray for our new ministry partners in SE and Central Asia and the wonderful things God is doing through these partnerships.
- * Praise for the blessing HE has bestowed on the ministry this year with new supporters, prayer warriors and encouragers. We have been overwhelmed with the amazing things God has done with the transition to Colorado and how many doors HE has opened here.
- * Praise for the amazing doors HE continues to open for the work HE wants to do through HE-man International.
- * Praise for the continued and amazing support from our ministry partners at Benton Baptist Church and Mississippi Avenue Baptist Church!!

This year has been an amazing and incredible time for HE-man International. Todd was blessed to make five trips (the most so far) this year and spent time in 2 areas of Southeast Asia, Africa and Central Asia. We had both Benton Baptist Church and Mississippi Avenue Baptist Church join some of these trips and what a blessing they have been to support and travel with Todd to these difficult parts of the world. We were also incredibly blessed to have our son, Ty, travel with Todd for the first time. God does amazing things in His time!

We are looking forward to a very prosperous and successful new year as God has already planned several trips along with an amazing 3-month opportunity for an Operation Christmas Child project in Southeast Asia. God has also opened doors in other parts of Central Asia for us to connect with a new ministry opportunity. HE has truly touched our hearts and blessed us beyond imagination and we are looking forward to spending more time throughout these parts of the world.

Why does Todd continue to go? He goes, because HE continues to send him to these difficult areas of the world to share the Good News and encourage others who make the sacrifice at whatever the cost. They need to be reminded that what they are doing every day is what HE called us to do...GO and SHARE with everyone.

Please continue to lift up Todd and The Church up in prayer.
