2019 Trips

Be in prayer for Todd and our ministry as we begin setting/finalizing the trip schedule for next year. We are looking forward to returning to Central Asia, Uganda, and Southeast Asia as HE calls and cannot wait to see where HE plugs HEman International in throughout the world!

Prayers/Praises

- * Pray for the Persecuted Church as they continue to help others seek The Truth.
- * Pray for Todd as he fights the daily spiritual battle and continues to answer the call to go to restricted areas of the world.
- * Praise for the opportunity for Todd to go full time into the ministry after 5-1/2 years. This allows him more opportunity to minister both locally and internationally.
- * Praise HIS provision for a new ministry vehicle after our first one finished its race. Blessings from HIM through the Reinhardt Family and all those who contributed to help make this possible.
- * Praise for the amazing doors HE continues to open for the work HE wants to do through HE-man International.
- * Praise HIS provision through our amazing new ministry partners at Benton Baptist Church!!

#relationshipsmatter

We were recently blessed to travel with members of our church, MABC, to Southeast Asia to partner with our new friends that are doing amazing work there and need all the support and encouragement they can get as they fight a huge uphill battle in a part of the world that is still severely distressed and damaged from the Vietnam War and the Khmer Rouge genocide. Todd and I were able to see a new part of the world we had never seen, make new friends from our amazing church, and get to work side by side with Pete and Debbie with these amazing teachers and beautiful children. HE truly touched our hearts and blessed us beyond imagination on this trip and we are looking forward to spending more time in this part of the world.

Why does Todd continue to go? He goes, because HE continues to send him to these restricted areas of the world with closed borders to share the Good News and encourage other who make the sacrifice at whatever the cost. They need to be reminded that what they are doing every day is what HE called us to do...GO and SHARE with everyone.

Please continue to lift Todd and HIS Persecuted Church up in prayer.
