

August 2013

We have some great news! HE-man Ministries has completed its first step in becoming a non-profit corporation by having its Articles of Incorporation recorded with Montgomery County and the Alabama Secretary of State!!!!

Todd's Portugal trip was a great success and two of the players accepted Christ!! Todd was blessed to meet many wonderful people and hopes to be able to return next year! If you are on Facebook, please send us a friend request and you can see all the amazing pictures and commentaries Todd was able to make while there and since his return!

Our close friends, brothers & sisters in Christ and Brazilian liaisons, Miguel & Marta Horvath (and their children Tiago and Caroline) have reached out to Todd and need him to come to São Paulo as soon as possible to join them with their church (Liberdade Baptist Church) in their outreach ministries. The church has become involved in two cities near São Paulo where they have started working in the community, building a church, etc. The first is a new congregation around 160 miles from São Paulo in a city called Taguaí. They have one Pastor there and this city needs participation in leadership, Evangelism, etc. Near Taguaí, there's another city called Itaí, where they have a small church (only 12 members), and the local Pastor has urgent needs for help with Evangelism.

We are stepping out on faith and planning a trip for Todd to go to Brasil the first week of October and spending a couple of weeks in São Paulo, Taguaí and Itaí. This will be a wonderful opportunity to get everything moving

forward and for Todd to see what the needs are and where HE-man Ministries can get plugged in and moving forward. Please pray that God will reveal clearly during this trip what He wants done and where the needs are so that Todd can get back and start planning to take teams in and get started!

Because of Brasil's requirement to have a Visa in place before entering the country, and their requirement of having definite travel plans made before you can get your Visa, we have to purchase Todd's ticket and apply for the Visa well ahead of normal time. We have had three very generous donations of Delta Sky Miles to help with this ticket purchase ***but we are still in need of contributions to help get this done!!*** The airline ticket will cost approximately \$1,500, the Visa approximately \$240 and there will be daily living needs as well. If you have extra Delta Sky Miles you would be interested in donating, please let us know as soon as possible so we can get them transferred over and that will help with the cost of the ticket. Also, if you would like to make any contributions towards this trip, you can do so by making your contributions out to ***Taylor Road Baptist Church and sending it to us here at 8955 Crosswind Circle #207, Montgomery, Alabama 36117.*** Please be sure to notate on the memo line that the contribution is for Todd Carmichael so the church can easily place it in the correct fund.

Thank you to everyone for all your prayers and support! God is using Todd to do amazing things and we know that He has many more lined up! It is just awesome to sit back and watch God at work when you give up and do what He wants you to do. He has been blessed to be able to work with a group of amazing young people who are in difficult transitions in their lives and God is using him to minister to these kids in a powerful way. I was blessed to be able to be part of that myself and it is beyond words how rewarding it is!

Todd also preached his first sermon last week at Taylor Road Baptist Church last weekend and he did a wonderful job! For those of you who know Todd well, this is something he thought he would never be able to do. Just goes to show you that you can't put God in a box because He is way bigger than that!! Special thanks to Pastor Andy for that wonderful opportunity!

You are all in our prayers and we pray that you are blessed in all that you do!
